REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: ***

Claims 1-12 are allowable over the prior art because none of the prior art documents discloses or suggests the claimed first and second monolayer composed of monomers of a first, and a second, respectively, polycyclic aromatic compound having a defined axis oriented normal to the plane of the monolayer, in that said axis is z axis and each of the monomolecular layers being characterized by in-plane ordering, as in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
